

**Hotel ICON** was ranked as the 3<sup>rd</sup> best hotel in Hong Kong and is leading the way towards Hong Kong's goal of reducing carbon emissions by half by 2030 and achieving carbon neutrality by 2050.

Infinity Innovation is proud to collaborate with them in developing sustainable materials to contribute to Hong Kong's carbon-neutral future.

Powered by Hanin Enterprises

Sustainability is now the key driver of innovation. C-Force Biotech is delighted to partner with Hotel Icon, to redesign their current uniforms in sustainable fabrics and provide them with a truly on-demand solution.
