## About ALEXA MEADE

Alexa Meade's multidisciplinary art has been exhibited worldwide and recognized with a Tribeca Disruptive Innovation Award. She painted Ariana Grande for "God is a Woman" and was the first-ever Artist-in-Residence at the Perimeter Institute for Theoretical Physics.

## ALEXA MEADE x Ariana Grande Collaboration

For the [God is a Woman](#) music video, Alexa Meade painted on Ariana Grande's body in a pool of paint, inspired by the Alexa // Sheila milk series. The video has nearly 300 million views on Youtube.
